

## **CEP Podium Webinars**

This is an opportunity to become familiar with the resources and discussion forums available on the CEP Podium. We will also cover an introduction to using First Class software to access the podium.

### **Objectives:**

1. To learn about and locate AAC resources and discussion forums on the Podium.
2. To use First Class software to access the Desktop and Mailbox.

**Register:** To register go to the CEP website at [www.cepp.org](http://www.cepp.org) and click on the **Courses / Workshops Registration** link to register. THIS IS A FREE WORKSHOP.

### **What you need to participate:**

1. Computer with internet access
2. Phone to call into conference number.

### **Preparation for webinar:**

Set up your CEP podium account with First Class Software. To download First Class Software, go to <http://www.firstclass.com/>

If you have questions about this, contact CEP. When registered, we will send you the webinar link and conference call information.
